

Name of Organization

Dear Dr. Armenia,

this is to confirm that the organization I represent, FCSB

acknowledges

the "BRISWA – Ball Rolls In the Same Way for All" project, financed under ERASMUS + programme - (EAC/A04/2015) - Collaborative Partnerships in the sport field NOT related to the 2016 European Week of Sport, as an important project towards the mitigation of racism in soccer and in sports in general, and

expresses

its willingness to participate in this initiative and become an external supporter of the project throughout its lifecycle, by supporting its public dissemination and uptake, without any subordination link or bound to the Project Consortium, but in line and complying with the rules for dissemination set forth in the Consortium Agreement. In this perspective, we

agree to

- Facilitate, support and attend the network meetings and teleconferences organised by the consortium, if required;
- Facilitate, support and test the model developed;
- Deal with convenient confidentiality all the information and documents received;
- support the dissemination of the project, for example by spreading the survey that will be developed during the project activities throughout the youth sectors of the clubs that are part of our championships;
- Assist with the identification of a group (or groups) of children and championship clubs that are willing to allow the play of a friendly game (as described in the Annex) with the respective academies, before the official beginning of the championship game;
- Identify a person (or persons) who will participate at the training course developed by the Project, as described in the Project Annex.
